

REMARKS

Applicant has cancelled claims 21-22, without prejudice, as being in improper "use" format. Applicant reserves the right to file claims to the cancelled subject matter of those claims in applications claiming the benefits hereof. Applicant has amended claims 1, 3-8 and 10-19 to present the claims in more clear and concise terms and to delete all multiple dependencies. No new matter has been added by any of these amendments.

Early and favorable action on the merits is earnestly solicited.

Respectfully submitted,

William A. Teoli, Jr.
